Detroit, April 27.—Both pitchers were hit freely today but Donahue's gifts mixed with long hits made it easy for Cleveland to win. Score: yesterday afternoon. It was only an exhibition game of seven innings, but during that time the teams gave a fair exhibition of the kind of baseball which will be on tap this season.

Salt Lake found Rush, the new Eureka pitcher, in the first inning for three runs. Then the Eureka twirler settled down and was good until the end of the fifth. In the sixth Moore, another new Eureka twirler, was tried out. Three safe bin-gles and one error gave the Salt Lakers

gles and one error gave the Sait Lakers three more runs.

Romney pitched winning ball for the first six innings. In the sixth Beck slipped while trying to field a throw to second from the backstop and let in the first run. In the seventh inning three hits and a couple of errors let in two runs for Euroka runs for Eureka A wet diamond and rough outfield made good fielding almost impossible. One of the features of the game was the pulling down of a Texas leaguer by Beck
